

## eCentral Setup

If you have an eCentral account, eSync can automatically notify you when patients submit questionnaires. Before you receive notifications, you must register your eCentral account with eSync. To register your eCentral account:

1. Click eCentral

From the Settings pane, click the **eCentral** button to open the eCentral Settings pane.

2. Enter User Name and Password

Enter your eCentral **User Name** and **Password** in the appropriate fields and click **Register**.
